Here is a 'golden' statement from St. Chrysostom (A.D 347-407) **"To get the full flavor of an herb, it must be pressed between the fingers. So it is the same with Scriptures; the more familiar they become, the more they reveal their hidden treasures and yield their indestructible riches."**

I hope you too will choose to enjoy far-reaching advantages and benefits reading the short and to-the-point pamphlets highlighting a positive life-style, learning how to study your Bible. I completed the course over 60 years ago. Incidentally the Course is published in over 36 languages including Armenian. What I learned enabled me enjoy a useful healthy happy and positive life. It was a real blessing reading the wisdom-filled pages of the pamphlets. Now? I have been blessed living in excess of "three-score-and-ten years" and still going thanks to my loving and caring God. I totally owe my success in my life to the practical healthy principles I learned studying the Bible, together with the guidelines found in the Course I enjoyed so much. I wholeheartedly recommend the Discover Bible Correspondence Course to you also!
